T LEVEL GUIDE

Placement preparation checklist

Your placement is coming up. Work through this so you can walk in on day one feeling ready.

Before your first day

- [ ] I know the address and how I'm getting there, and I've done the journey once.
- [ ] I know which days I'm in and my start and finish times.
- [ ] I have my supervisor's name and how to contact them.
- [ ] I know who to contact at my school or college while I'm on placement.
- [ ] I know what to wear. If I'm not sure, I've asked.
- [ ] If I need any support or adjustments, I've told my placement.

What to bring

- [ ] Lunch, or money for lunch
- [ ] A notebook and pen
- [ ] Any forms or documents my college asked me to bring

Your first week

- [ ] Find out who to go to with questions. Asking is normal, so ask.
- [ ] Learn the health and safety rules and where the fire exits are.
- [ ] Agree a few goals with your supervisor.

My goals for this placement

If something goes wrong

- Running late or feeling ill? Let your supervisor know as early as you can.
- If you ever feel unsafe or unhappy, talk to your placement contact at college. That's what they're there for.
