Placement preparation checklist

For account holders: things to sort out before your industry placement starts.

Before your first day

- [ ] I know the address and how I'll get there, and I've tried the journey.
- [ ] I know my start time, finish time and which days I'm in.
- [ ] I have the name and contact details of my placement supervisor.
- [ ] I know who to contact at my school or college during the placement.
- [ ] I know what to wear.
- [ ] I've told my placement about anything I need support with.

Things to bring

- [ ] Lunch or money for lunch
- [ ] Notebook and pen
- [ ] Any documents or forms my college asked me to bring

In your first week

- [ ] Find out who to ask if I have a question.
- [ ] Learn the health and safety rules and fire exits.
- [ ] Agree my goals for the placement with my supervisor.

My placement goals

_____

_____

_____

If something goes wrong

- If you're running late or ill, tell your supervisor as early as you can.
- If you feel unsafe or unhappy, talk to your college placement contact.
